

What to Wear: A Night in East Austin

July 23, 2012, 7:45 AM

Brimming with bars, eateries, coffee shops, and of course music, **East Austin** offers nightlife abound. What to wear when darting out to meet friends for happy hour, dinner or a show? The majority of the Eastside spots are outdoors so I throw on light fabrics and use products geared to beat the heat. A summerv top. shorts. styling cream and tinted moisturizer will do the trick.

Bag [Urban Outfitters](#). Bracelet [Soo Ihn Kim](#) at Gallery D. Cuff [CC Skye](#) at Estilo Austin. Money Clip [Santiago Gonzalez](#). Shorts [Parker](#). Stormy Weather Polish [Deborah Lippmann](#). Boot [rag & bone](#). Mineral Tint [Rae Cosmetics](#). Styling Cream [VERB](#). Top [Madewell](#).

With new designated bicycle parking, you may find yourself à vélo or à pied as you're hopping from one place to the next. A crossbody bag and comfortable shoes like ankle boots are a must.

Having cash when hunger strikes allows you to partake in the many food trailer options available. A kebob, slice, or an ice cream sammie go perfectly with stacked bracelets!
